

— SCOTTISH ELECTION 2021 —

VALUE YOUR VOTE

**EVERY
BABY
DESERVES
LIFE**

**EVERY
MOTHER
DESERVES
LOVE AND
SUPPORT**

**USE
YOUR
VOTE FOR
A PRO-LIFE
SCOTLAND**

Use your vote to protect unborn babies and their mothers from abortion in this Scottish Election.

The Scottish Government has allowed dangerous DIY home abortions. There are also moves to introduce buffer zones, which would ban pro-lifers from offering help to women outside abortion providers.

**VOTE FOR A CULTURE OF LIFE
IN SCOTLAND ON 6 MAY**

**USE
YOUR
VOTE TO
PROTECT
VULNERABLE
PEOPLE FROM
ASSISTED
SUICIDE**

Elderly, terminally ill and disabled people are at risk from the threat of assisted suicide. It is almost certain that a new bill to change the law will be introduced in this Parliament. If you believe every life is worth living, use your vote for the candidate who will vote against assisted suicide.
